
FORM:	61 - HOW TO FILL OUT THE FOOD QUESTIONNAIRE
Version:	2.2 - June 1, 1995
Description:	2-page instructional sheet for <i>Form 60 - Food Frequency Questionnaire (FFQ)</i> .
When used:	Given to all potential participants in the Clinical Trial (CT) at baseline with the <i>FFQ</i> , and at designated follow-up Clinical Center (CC) visits to a subsample of participants in the Dietary Modification (DM) and Observational Study (OS).
Purpose:	Provides information and serving size pictures to assist the participant in completing the <i>FFQ</i> .

GENERAL INSTRUCTIONS

1. The instruction sheet is printed in both English (*Form 61*) and Spanish (*Form 61S*) versions. Use the form appropriate to the participant.
2. Clinical Center staff distribute the sheet with the *FFQ*.
